WORK EXPERIENCE

Dental Receptionist

Dental Care Alliance

2017 - current / Detroit, MI

- Confirmed and scheduled 20+ appointments per day via Microsoft Outlook and Calendly.
- Assured the readiness of the lobby throughout each shift by discarding trash and old materials, vacuuming the floor, and cleaning and stocking the restroom 3 times daily.
- Scanned insurance approval letters to the database, and notified case management assistant of available documents.
- Completed medical record requests (internal and external) and fulfilled invoices.
- Supported clinical and case management staff by making copies, filing, faxing, and **delivering memos 2 times per day**.
- Maintained copier and fax machines, resolving intermediate to complex issues that saved \$3k in repair costs in 2020.

Dental Receptionist

Dental Care of the Future

2015 - 2017 / Fraser, MI

- Developed and maintained documentation, front desk forms, and procedures, and assisted with administrative tasks such as copying and faxing.
- Ensured smooth patient flow by confirming all appointments 48 hours in advance and following up with patients who were running late, reducing missed appointments by 8%.
- Answered phone and scheduled appointments according to patient preference.
- Listened to patients, answering questions in person and by telephone, and when necessary, relayed patient questions to the hygienist or dentist, following up with patients within 24 hours.
- Performed patient collections, treatment planning, and insurance coding while keeping all relevant electronic patient records up to date.
