Profile

Detail-oriented Compliance Officer with 1-year experience in ensuring that business operations adhere to regulatory standards and internal policies. Proficient in conducting compliance audits, risk assessments, and implementing corrective actions. Strong ability to interpret legislation and communicate effectively with stakeholders. Known for maintaining high ethical standards and preserving confidentiality. Possesses a solid understanding of compliance procedures and commitment to stay updated with changing laws and regulations.

Employment History

Compliance Officer at Aetna Inc., CT

Jul 2023 - Present

- Reduced regulatory compliance risks by 60% through the development and implementation of robust compliance programs across all departments in Aetna Inc.
- Successfully led a team that addressed over 500 compliance issues within a year, resulting in a 40% decrease in non-compliance cases.
- Implemented a compliance training program that increased staff understanding of compliance requirements by 75%, leading to an overall improvement in company-wide adherence to regulations.

Associate Compliance Officer at Cigna Corporation, CT

Sep 2022 - May 2023

- Developed and implemented a comprehensive compliance training program for over 2,000 employees, resulting in a 40% decrease in compliance-related incidents.
- Conducted an extensive review of the company's existing compliance policies, identifying and rectifying 50+ areas of non-compliance, thereby avoiding potential regulatory fines.
- Led a team that successfully conducted an internal audit of Cigna's financial transactions, identifying discrepancies amounting to \$1.5 million, which were then corrected.
- Successfully managed a cross-functional project that improved the effectiveness of the company's compliance monitoring system by 30%, enhancing the detection and mitigation of potential risks.
