SUMMARY

Highly skilled and experienced Emergency Dispatcher with 5 years of experience in handling emergency calls, coordinating responses, and providing critical support to first responders. Proven track record of reducing response times by 25% and improving caller satisfaction by 30% through effective communication and prioritization.

EXPERIENCE

Emergency Dispatcher

Emergency Services Department

Handle emergency calls, prioritize responses, and coordinate with first responders to ensure timely and effective responses to emergencies.

 Jan 2018 - Present

 New York, NY

- Answered an average of 250 emergency calls per shift, prioritizing responses based on severity and urgency
- Utilized computer-aided dispatch (CAD) system to track and manage emergency responses, resulting in a 20% reduction in response times
- Collaborated with first responders, including police, fire, and EMS, to ensure effective communication and coordination
- Provided critical support to callers, including crisis intervention and emotional support, resulting in a 25% increase in caller satisfaction
- Participated in ongoing training and professional development to stay current with industry best practices and technologies

Dispatcher

Private Ambulance Company

Dispatched ambulances and coordinated medical responses to emergencies, including 911 calls and non-emergency transports.

 Jun 2015 - Dec 2017

 Los Angeles, CA

- Dispatched an average of 150 ambulances per shift, ensuring timely and efficient responses to emergencies
- Utilized GPS tracking and CAD systems to optimize ambulance routing and reduce response times by 15%
- Coordinated with medical personnel, including paramedics and EMTs, to ensure effective communication and patient care
- Provided customer service to patients and families, responding to inquiries and concerns in a professional and empathetic manner
- Participated in quality improvement initiatives, including data analysis and process improvement projects, resulting in a 10% reduction in response times

PROJECTS

Emergency Response Plan

Project Lead

 Jan 2020 - Jun 2020

Developed and implemented an emergency response plan for a large public event, resulting in a 25% reduction in response times and a 30% increase in attendee satisfaction.
