Fire Science

**City College of San  
Francisco**

📅 2000 - 2002

📍 San Francisco, CA

## SKILLS

- Collaboration
- Fire Containment
- Equipment Maintenance
- Water Pumps
- Verbal Communication
- Fire Prevention
- Orienteering
- Power Tools

## SUMMARY

Diligent wildland firefighter with 10 years of service in firefighting and wildland work within San Diego. Motivated to aid the most fire-prone areas of California at the CAL Fire Red Mountain station where my experience in efficient communication and fire containment would reduce the risk of escalation and prevent wildfires.

## WORK EXPERIENCE

### Wildland Firefighter

#### San Diego Center

📅 2018 - current 📍 San Diego, CA

- Performed 60+ controlled burns before the start of annual wildfire season, decreasing seasonal wildfires by 39%
- Maintained 18 types of equipment and machines, including chain saws, tractors, and fire engines
- Collaborated with 6 local safety departments to identify fire preparedness needs within the county
- Felled 45+ invasive eucalyptus trees in high fire risk areas, reducing the risk of fire spread by 11%

### Firefighter

#### San Diego Fire Station 4

📅 2010 - 2018 📍 San Diego, CA

- Collaborated with supervisor during 60+ yearly site inspections to enforce safety standards and regulations
- Communicated with a team of 18 crew members every 3 minutes in disaster situations, reducing response time by 9%
- Attended 2 conferences per year to get specialized training on fire de-escalation techniques, increasing effectiveness of fire prevention initiatives by 22%
- Awarded Crew Member of the Year in 2018 for providing emotional support and mentorship for the firehouse family
- Maintained machines and equipment, reducing risk of equipment malfunction during emergencies by 34%

### Public Safety Officer

#### University of San Diego

📅 2002 - 2010 📍 San Diego, CA

- Generated and posted safety checklists throughout workspace to ensure staff awareness of OSHA regulations
- Performed 180+ annual safety audits to advise departments on safety standards, eliminating \$38K+ in potential fines
- Handled 3 quarterly training events to refresh workers on OSHA safety requirements
- Collaborated with 3 managers and supervisors to develop incident reports and advise management on risk reduction
