CAREER OBJECTIVE

Perceptive and calm emergency responder with a 2-year background in providing prompt life-saving care. Seeking an opportunity with the Boston Fire Department where my skills in collaboration and my proven record of maintaining composure during stressful events will assist the firefighting team during emergency situations.

WORK EXPERIENCE

Emergency Telecommunications Dispatcher City of Cambridge

2020 - current / Cambridge, MA

- Answered 150+ calls per day to guide callers in emergency situations and dispatch emergency personnel
- Retrieved caller data within 2 minutes, decreasing emergency personnel response time by 21%
- Relayed instructions to emergency personnel for each call, decreasing miscommunication errors by 14%
- Tested and inspected emergency signaling systems
- Attended 118 hours of optional training sessions to increase knowledge of emergency preparedness
- Trained 2 new dispatchers in call procedures and rules

Server

Ruby Tuesday's

2019 - 2020 / Boston, MA

- Handled an average of 10 tables per shift by noting orders, serving dishes, and bussing tables
- Collaborated with kitchen staff to implement digital ordering system in addition to paper menus, increasing back-of-house efficiency by 18%
- Spearheaded menu re-structuring project to promote high-margin menu items, increasing revenue by 6%
- Upsold beverages and desserts to tables celebrating special occasions, surpassing sales targets by 9%
- Mentored 4 servers on best serving and ordering practices to boost efficiency, boosting customer satisfaction by 23% and increasing tip sizes by 19%
- Coordinated with 7 servers to delegate tasks at the end of every shift, reducing closing task time by 6 minutes
