SUMMARY

- Design experience and technical aptitude obtained through Formula SAE and academic projects
- 2+ years managing customer interactions and resolving service issues in a retail environment
- Familiar with Microsoft Office Suite including PowerPoint and Excel (VBA, Macros, and Pivot Tables)
- Academic training and practical application of AutoCAD and CATIA

EDUCATION

B.S. Mechanical Engineering, University of Windsor, Windsor, ON Sept. 2019 - Present
Minor: Mathematics | GPA: 3.75

ENGINEERING PROJECTS

Formula SAE Team Member, University of Windsor, Windsor, ON Sept. 2020 - Present

- Collaborate with team members to design and build a formula-style hybrid race car
- Operate shop equipment and machinery including lathes, drill presses and welding tools

Trebuchet Design Project, University of Windsor, Windsor, ON Sept. 2020 - Nov. 2020

- Collaborated as a team of 4 to design and build a trebuchet; aimed to optimize launch within constraints
- Created and modified design ideas using Catia
- Recorded results of trial launches and analyzed data to determine design modifications

Product Design Project, University of Windsor, Windsor, ON Feb. 2019 - Mar. 2019

- Designed a portable cooler with AutoCAD for travel with consideration of quality, cost, and safety
- Created initial and final drawings through team deliberation and troubleshooting of design

Robotics Team Member, Vincent Massey Secondary School, Windsor, ON Sept. 2018 - Jun. 2019

- Created drawings of mechanical parts using AutoCAD and manufactured robot components
- Coordinated with a team of professional engineers and students to design and develop a prototype
- Led design team to the FIRST Robotics Regional Competition

PROFESSIONAL EXPERIENCE

Sales Associate, Home Hardware, Windsor, ON Dec. 2018 - Present

- Promoted to lead shift associate within the first 6 months. Trusted to complete additional tasks including scheduling, task assignment and departmental sales.
- Identify customer requirements and make product and service recommendations.
- Educate customers regarding power tools, paint and hardware products.
- Resolve problems and manage customer complaints in a courteous and professional manner.

ACTIVITIES AND LEADERSHIP

Engineering Member, University of Windsor Engineering Society Sept. 2019 - Present

Amateur Race Car Driver, Various speedways and tracks in Ontario Jul. 2019 - Present
